Jack was a happy and fun young boy, though he and his mum were very poor. Jack liked to imagine exciting things and often pretended to be a superhero and dream that he had special powers. They had a lovable cow called Squirty Cream who they both adored, and whose milk they sold in the marketplace.

Unfortunately, one summer, her milk dried up! With much sadness, they decided that Jack should take Squirty to market to sell. They knew they would miss her very much, but they had no money for food, and nothing else to sell. As Jack made his way to market however, he met a very peculiar little fellow, who persuaded Jack to swap Squirty for some magic beans. The strange, pixie like character told Jack that the beans would bring him riches. When Jack got home and told his Mum that he had swapped Squirty for some beans, she was absolutely furious and threw the beans out of the window, into their garden.

Jack decided to sing a special song that he knew for making plants grow and miraculously, a really tall beanstalk grew in his garden. The bean seller had been telling the truth! Jack decided to climb the beanstalk in search of riches and adventure.

Up, up, up he climbed until he reached the very top.....

As he came through the clouds, the first thing he set eyes on was Mr Beast, the famous youtuber, who was known for setting amazing challenges and giving money to charity. Immediately, Mr Beast started organising a new contest and recruiting an extraordinary mix of characters to take part. There was Super Mario and his buddy Luigi, Bigfoot, 11 (from Stranger Things), a police car that drove itself and a tiger that promised to help Jack in the competition.

The task before them was to build a replica of Hogwarts out of Lego and the winner would get a million pounds!

The building contest was fantastic, with speed, skill and dice throwing involved too but there could only be one winner and it was Jack, after building a fantastic model and scoring twenty on his dice throw.

The celebrations were joyous until, all of a sudden, a huge giant appeared. It was terrifying. The Giant stole Jack's prize money and then ripped Jack's insides out and ate them. Luckily, Sonic the Hedgehog was able to use his chaos emeralds to make Jack's insides go back inside. Jack shouted Ka-me-ha-me-ha as he powered up to defeat the Giant and the tiger ran up and bit the Giant on the bum! Jack threw the Giant, who smashed into the Lego Hogwarts buildings and destroyed them. Jack tiptoed nervously up to the Giant and was relieved to discover that the terrible enemy was dead! They had defeated him!

Jack said goodbye to all of his friends and climbed back down the beanstalk. He met up with the Bean Seller, who had started the whole adventure and bought their beloved Squirty Cream back. Then, after giving the bean seller half his money as they'd arranged, Jack returned to his Mum and they decided to celebrate with a nice cup of tea and some cake. They were settling down to eat when Jack's Mum turned on the radio and heard that World War Three had just started.....

So, would they live happily ever after.....?
